

# SPONSOR PROSPECTUS

## Nordic Neuropsychology From cradle to cognitive reserve

---

14th Nordic Meeting in Neuropsychology,  
Copenhagen, August 24th-27th 2021

# WWW.NORDICMEETING2021.COM

To Potential Sponsors,

On behalf of the organizing committee for the 14th Nordic Meeting in Neuropsychology 2021, we kindly invite you to participate with a donation/sponsorship to our conference that will be taking place at Scandic Falkoner in Copenhagen, Denmark from the 24th to the 27th of August 2021.

The Nordic Meeting in Neuropsychology that takes place every third year is the result of a collaboration between the Neuropsychological Societies of the four Nordic Countries of Sweden, Norway, Finland and Denmark, who take turns in hosting the conference. Last time the conference was held in Denmark it attracted 700 Nordic and international participants. The conference is primarily dedicated to neuropsychologists working clinically or in research within the fields of child development, neurology and psychiatry, but also attracts psychologists from other fields, as well as other professionals such as speech therapists, occupational therapists, and medical practitioners. The conference offers a strong scientific program and promotes knowledge sharing as well as networking between professionals within and across the Nordic countries.

The theme of this year's conference is "From Cradle to Cognitive Reserve" and focuses on the latest findings from the field of neuropsychology across the lifespan. Among the Keynote speakers you will find Jan Stubberud (Norway), Essi Viding (England) and Duncan Astle (USA) to mention a few.

We hope that your company/organization will consider contributing to the conference. We have a variety of sponsorship packages that can promote your company/organization through visibility at the conference. In next pages you will find sponsorship options but do feel free to contact us so we can find the perfect solution for your company/organization.
